Please **RSVP** James Chandler if you are attending before **January 10th!**

No Business like Snow business..

Talk at the flying field has been about the winter season, and outfitting aircraft with skis. Could be some interesting ground work soon. The phrase "like a pig on ice" comes to mind.

37th Annual WRAM Show

February 25-27, White Plains, NY (www.wram.org).

Der splendor in der grass.

David Hoe's Fokker Dr. I triplane lifts off from Rector Field. Very temperamental on the ground due to the narrow landing gear, the landing was "very interesting".
