Message from the Editor

While I will continue to support the vote to have the Newsletter printed and sent to everyone, some members have expressed that this additional club cost is not necessary. So in order to continue to save the club money, if you fell that a printed copy mailed to you is not needed, please email me at editor@famac.org. I will gladly stop sending a copy to you. Every newsletter will still be emailed to everyone and posted on the web. Thank you.

James
